

3D – CRAFT & CULTURE OF KURASHIKI

A hands-on journey into Setouchi's artisanal heritage, blending traditional ceramics, sake brewing, historic streetscapes, and immersive cultural workshops.

Day 1: Bizen Ceramics & Kurashiki

Visit Ichiyougama, a Bizenware ceramics studio where you will explore the kiln, stroll the neighborhood, and enjoy a lunch with the master potter before heading to the ryokan.

Day 2: History & Hands-On Craft

Experience Kurashiki's charm through its historic streets, sake tasting at Morita Brewery, a hands-on Temari workshop, and tea at Salon Hashimaya, finishing with a memorable dinner.

Day 3: Gardens & Castles

Stop by Okayama Castle and Korakuen Garden for a guided walking tour through one of Japan's most celebrated landscapes.

RYOKAN KURASHIKI

A charming ryokan nestled in Kurashiki's historic district, where traditional elegance meets genuine Japanese hospitality.

TOUR HIGHLIGHTS

Traditional Crafts & Experiences

Engage with local artisans through Bizenware, Temari workshops, and sake tasting for an immersive cultural journey.

Historic Streets & Gardens

Stroll through Kurashiki's picturesque streets and Korakuen Garden, experiencing centuries of culture and design in authentic settings.

Other Activities

Extend your journey with nearby craft experiences such as denim processing, indigo dyeing, or katana swordsmith demonstrations.
